Week 3 assignment

Complete the tasks given in the `TODO` list of `maps-demo` project.

```
*** Addressbook Application ***
*** MAIN MENU            ***
0. Exit
1. List all contacts
2. Search contact by email
3. Search contact by phone
4. Search by name
5. Search by city
6. Add a new contact
Enter your choice:
```

- Implement the feature for choice 6 by completing:
  - `private void acceptAndAddNewContact()` of `com.targetindia.programs.Main`
  - `public void addNewContact(Person person)` of
    `com.targetindia.repository.HashMapContactsRepository`
